Proposed Rules – 5-Yr-Review

A.R.S. § 41-1056 requires the agency to review its rules every five years. Among the criteria used in the evaluation are (1) the rule's effectiveness in achieving its objectives, and (2) the rule's clarity, conciseness and understandability.

- 1.Reclassifications
- 2.Inflation
- 3.Fee: New
- 4.Fee: Renewal

A separate draft rule package will seek to clarify solar contracting.
